Devonian Playground

The Elkford Community Enhancement Society provided an update on the progress of the Devonian Playground. The Society approached the schools and community members for input about the construction of the park. Quotes and plans have been received from several companies and the Society chose the Blue Imp company to supply the equipment. Fundraising has been ongoing and several grants were applied for. It is hoped that construction of the playground will occur in September this year.

Bylaws

Five Year Financial Plan Bylaw No. 798, 2017 was adopted. This bylaw will guide the District's budgeted activities for 2017 through to 2021. The District conducted an Open House, February 8, 2017 and provided information to the public on the financial aspects of municipal activities contained within the budget.
