

# NORTH POLE REPORT: Santa Claus is Coming to Town!

## Watch for Santa Claus and the Elkford Fire Department in your neighbourhood on December 21!

We have received special news from Santa's workshop that he will start his trek around Elkford in the fire truck on **Wednesday, December 21 from 6 to 8 p.m.** This gives Santa plenty of time to make his way around Elkford then get home to his workshop to prepare for his biggest night of the year! Santa and his helpers in the Elkford Fire Department will also be accepting cash donations + grocery vouchers for the **Elkford Food Bank** (note that the Elkford Food Bank is not currently accepting food donations, so non-perishable goods will be donated to the next closest Elk Valley food bank).
