

CALL FOR VOLUNTEERS

Official Community Plan Advisory Committee

The District of Elkford is embarking on an approximately 18-month journey to update our Official Community Plan (OCP). The OCP is the long-term vision for the community that sets goals, objectives and policy guidance for future decision making. To support and guide this work, we are inviting community members to volunteer on an OCP Advisory Committee.

The Committee will represent the community's shared interest and provide input and direction to support District staff and consultants in shaping the draft goals, objectives, policies and implementation strategies for the OCP.

The Committee has a total of seven seats to be filled by the community members. We would like to include a broad spectrum of community interests in this group. Members are expected to attend meetings, public engagement events and contribute actively to the process. As this is an 18-month process, please only apply if you expect to be able to participate for the full duration of the project. **Don't worry: all community members will have plenty of opportunities to participate in the project, even if they cannot be part of the Committee!**

Volunteer application forms and the Terms of Reference are available at the District Office at **744 Fording Drive**, at www.elkford.ca and online at engage.elkford.ca.

Volunteer Application Deadline EXTENDED: August 8, 2023, at 3:30 p.m.
